Flower Arranger

Role Description

Our visitors enjoy the arrangements of freshly gathered flowers which we display in our rooms, making the building more of a house than a museum. We are looking for flower arrangers to help us make sure we can provide fresh arrangements on a regular basis.

Time Commitment

Flower arrangers work on a rota basis on an average of one Friday in six for about 2–3 hours. We would also like support for occasional special events, particularly our Mulled Wine Weekend.

Personal Qualities

Flower arranging skills and an interest in period detail.
