

Group Information Pack 2018

House | Museum | Garden | Gift Shop | Café

Welcome to Gilbert White & The Oates Collections

Be inspired by Gilbert White, Frank Oates and Lawrence Oates to take a journey into the Natural World. The beautiful historic house that was once the home to Gilbert White is now home to an eclectic museum, gardens and visitor centre.

Explore the museum that commemorates Gilbert White, pioneering 18th Century naturalist, Frank Oates Victorian explorer and Lawrence Oates, member of the tragic Terra Nova expedition to the South Pole. We are lucky to be situated in one of the most beautiful areas of the South Downs, and have 25 acres of garden for our visitors to enjoy. The garden is beautiful all year round, and a fascinating mixture of restored heritage garden and natural conservation.

In 2018 we are unveiling a new visitor centre with a new café perfect for groups that can sit up to 50. The centre situated in Gilbert's historic stable yard will also have direct access to the garden, a shop and a chance to see White's brew-house, and a fantastic shop.

Catering

Our café will be launched in April 2018 and will specialise in locally sourced food made on site. We can offer pre-booked catering arrangements . Please book and pay for this no later than **14 days** before your visit. For options and prices see the attached booking form. All members of the group must be served the same option. Depending on availability larger groups may have to be divided into two sittings. Your group can also visit the café without a prior booking, however please note that at times the café can become busy, and it may not possible to seat all members simultaneously.

Parking

The village car park is a 3 minute walk from the House. It is situated just off the main road behind the Selborne Arms. The car park can take cars and coaches; when it's busy visitors can be dropped outside the House and coaches parked in lay-bys approximately a mile distant either North or South of the village.

Selborne Village

On arrival at reception members of your group will be given stickers which allow them to come and go as often as they please on the day of their visit. The pretty historic village of Selborne is located within the South Downs National Park. There are superb walks, including up Gilbert White's ZigZag path on to the Selborne Hanger. There is a pottery, a selection of village shops, and a café on the high street, and The Selborne Arms Pub. The village church, where Gilbert White is buried, has two stained glass windows commemorating him, is directly opposite the Museum, and well worth a visit.
